CHARACTER ARC

Character Board

Backstory:

Elena loves money and nice things. She is an immigrant who came from a very poor background in Eastern Europe, and has always dreamed of having a nice house and rich husband. She now has those things, but they came at a price. Her husband is drunk, jealous, controlling and selfish. He pays her bills, but then makes her feel bad about it. He is also obsessed with her past.

Description:

Elena is good looking and keeps herself well, wear nice clothes and lots of make-up. During the story she loses her hair due to her cancer treatment.

Archetype:

Everyman

Goal:

She wants to be comfortable, looked after. She wants a peaceful life, but only because she doesn't as our story begins.

Motivation:

Elena grew up very poor and her dream is to have money and a nice house.

Conflict:

Character vs Character

Obstacles:

- Her husband
- Cancer
- Her finances

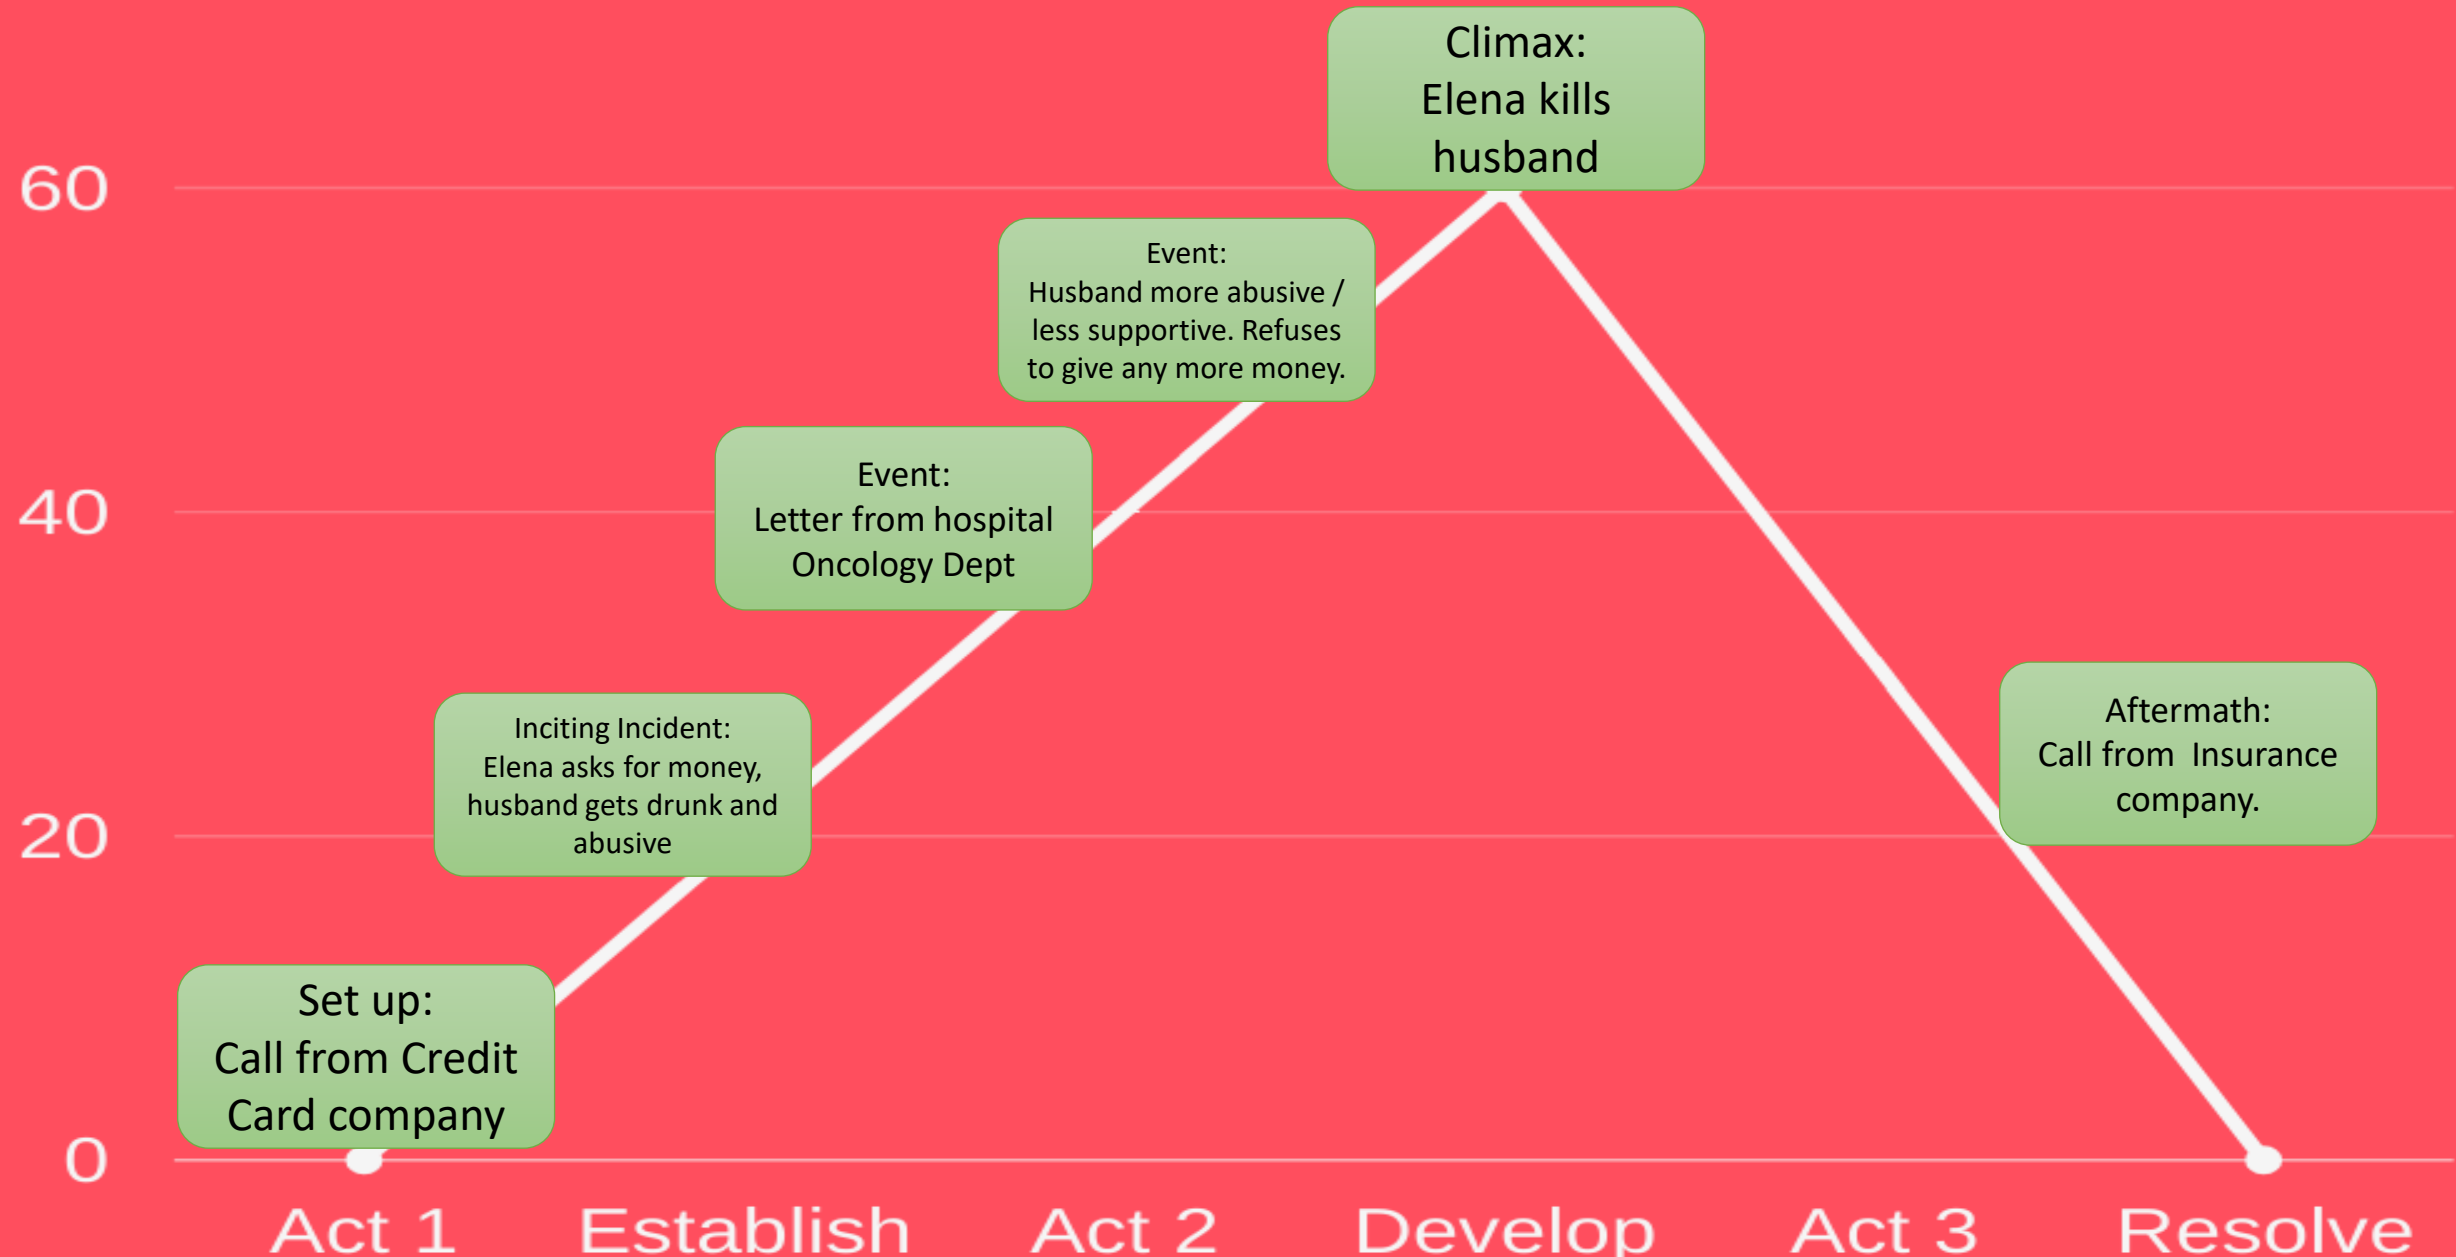

Insights:

- She realises that her husband will never give her any real support
- She realises that she won't get better without a restful home environment
- She comes to realise that her husband can't be relied on, even for financial support

Lesson learned:

She needs to be stress-free and cannot live with someone for money.
